

## KYLES AWARDED PHILANTHROPISTS OF THE YEAR

The Tipp City Area Community Foundation held their annual Donor Reception in downtown Tipp City on Sept. 10. Jim and June Kyle, lifelong Tipp City residents, were awarded the Philanthropists of the Year award by the Tipp City Area Community Foundation.

The Kyles have spent their years living and serving in Tipp. Jim was president of Rotary International, Tipp Foundation, and Tipp City Board of Education. He served on the boards of First National Bank and Brukner Nature Center. He was also named Citizen of the Year. June was a longtime organizer of the Tipp City Mum Festival Pageant and Senior Girls' Tea, president of the Civic Club, and National Secretary for Children's International Summer Villages (CISV). Both have invested in Tipp City and made it a better place to live.

Jim said, "We're grateful for this award. We love Tipp City." The Kyles received a painting by local artist Logan Rogers, commissioned by TCACF, given in appreciation for their service.
